

Rooms Available for Meetings, Lectures, Offices, Musical Events, Theatrical Presentations, Fairs, etc. on a “cost sharing” basis:

Do you need a meeting room, or a place for your group to practice, or a hall to put on musical events? We have a well-kept building located centrally in Penticton that is used by various groups for these purposes; and we still have space available. We prefer that your group is doing something to help the community, or is a self-help group. In return we would like you to help share our costs entailed in upkeep of the space you use.

Following are lists of room sizes and permitted occupancy loads:
